IMPORT OR MANUFACTURE OF PRODUCTS NOT INCLUDED IN THE SCHEDULE OF LISTED ELECTRONIC PRODUCTS (REGULATION R1302, 14 JUNE 1991)

Your application for a licence to import or manufacture the products as shown on the Annexure refers.

The products are not included in the Schedule of Listed Electronic Products, as contained in Regulation 1302, and therefore have not been declared Group III hazardous substances. Consequently licences are not required in terms of section 4(1)(b) of the Hazardous Substances Act (Act 15 of 1973) for their import into or manufacture in South Africa.

Yours faithfully
